# Drawing Features

Pay attention to arc of brow

Eyelid makes a small shadow across ball

Pupil is black, iris is lighter

Eyes are watery, include reflection

Eye is circular and round, edges won't be seen

Ears are shaped like a shell with a
wide and narrow part

Top sticks out from the skull

Gets darker as progresses inward

Shadow here

Highlight on bridge and ball

Nostrils pointed down

Small "v" shape

Pay attention to shadows, lips flatten out

The center line is the most important
